IEEE IEMDC 2017 CONFERENCE INFORMATION

May 21-24, 2017, Hilton Miami Downtown, Miami, FL

The IEEE International Electric Machines and Drives Conference - IEMDC has been established as a major event and held its inaugural edition in Milwaukee, WI, in 1997. Bi-annual follow up editions have been organized in Seattle, WA in 1999, Cambridge, MA in 2001, Madison, WI in 2003, San Antonio, TX in 2005, Antalya, Turkey in 2007, Miami, FL in 2009, Niagara Falls, Ont., Canada in 2011, Chicago, IL in 2013, and Coeur D'Alene, ID in 2015.

Scope – IEMDC provides an international forum for sharing experience, new ideas, and developments in design, operation, analysis, and practical application and optimization of electric machines, drive systems and components. IEMDC is a venue for users, designers and manufacturers, and analysts of electric machines and drives and their related power electronics and controls. The conference is jointly sponsored by the four IEEE power engineering sister societies: PES, IES, IAS, and PELS.

Venue – IEMDC 2017 will be held in beautiful and sunny Miami, FL, close to many touristic attractions and just across the causeway to Miami Beach and the art deco district.

SPONSORSHIP INFORMATION

Gold Sponsor (\$10k) – double booth, one whole page color add in program, logo and provided details on the website, signage of sponsorship and acknowledgements throughout the conference and its events, two full registrations.

Silver Sponsor (\$5k) – booth space, half page color add in program, sponsor logo on the conference website, signage throughout the conference, one full registration.

Bronze Sponsor (\$3k) – booth space, logo in program and on website, signage at the conference, one full registration.
